

T.Y.B.Sc. Biotechnology Degree Course Equivalent Subjects/ Courses under the revised pattern 2013

Pattern 2008 Semester III Old Course	Pattern 2013 New Course
Bb-331 Microbial Biotechnology (64013)	Bb-331 Microbial Biotechnology (94013)
Bb-332 Animal & Plant Development (64023)	Bb-222 Animal and Plant development (84022)
Bb-333 Biodiversity & Systematics (64043)	Bb-333 Biodiversity & Systematics (94043)
Bb-334 Developmental Biology & Microbial Biotechnology (64133)	Bb- 226 Practicals in Developmental Biology (84232)
Bb-335 Project (to be continued in semester IV) (64233)	Bb- 335 a. Practicals in Microbial biotechnology Bb- 335 b Practicals in Field studies and report writing. (94233)

Pattern 2008 Semester IV Old Course	Pattern 2013 New Course
Bb-341 Large scale Manufacturing process (64014)	Bb-341 Large scale Manufacturing Process (94014)
Bb-342 Biotechnology in Agriculture & Health (64024)	Bb-342 Biochemical and biophysical techniques (94024)
Bb-343 Recombinant DNA Technology (64044)	Bb-343 Recombinant DNA Technology (94034)
Bb-344 Techniques in Genetic Engineering & Fermentation (64134)	Bb-344 Techniques in Genetic Engineering (94234)
Bb-345 Project (64234)	Bb-345 a Practicals of large scale manufacturing process Bb-345 b Practicals in biochemical and Biophysical techniques (94244)
